### Five Times The Fun

The Square Golf Ball is available with golf quips and jokes imprinted, for the humorous side of life. Initially only one face was imprinted, leaving the rest of The Square Golf Ball clean. Now we've introduced the five-sided Funny Square Golf Ball. Five faces containing a different golf quip or joke. Five times the fun. Mix and match from our stock selection of jokes and quips, or create your own. The possibilities are endless. Imagine the fun you'll have with this, or for someone else if you make this a gift item. What makes these even funnier is the fact that all of the quips and jokes are so appropriate for golfers – many will have had a similar experience themselves, and hopefully can laugh about it. The Funny Square Golf Ball is certain to be a hit, so plan ahead and get several. Gift, stocking stuffer, office exchange, etc – the list goes on and on for great opportunities where you can make a real splash. We invite you to take a look at our website and see what the possibilities might be for you and your situation. You still have time to get your order in so as to receive this by the holiday period – but time is running short. Order today and have a blast with friends and family. We'd probably all be better off if we laughed more – so do yourself a favor and stock up on the good times.
