

THE

SQUARE

GOLF BALL®

February 6, 2015

Golfer Gift

The Square Golf Ball® is a must-have for any golfer, regardless of if they're a duffer or a force to be dealt with. You can purchase as few as one, completely customized and imprinted. Makes for a swell gift on any occasion. Birthday, Father's (or Mother's) day, retirement, graduation, hole-in-one, first par course, promotion, anniversary, etc. Throughout any given year there are several special days that warrant some type small gift to commemorate something. The Square Golf Ball® is that perfect, affordable and truly unique one-of-a-kind gift. The Square Golf Ball® is also the gift that stays out in the open. Perfect for a desk or credenza, and not stashed away in a drawer never to see the light of day again. The Square Golf Ball® is as similar to a traditional golf ball in every fashion. The outer skin is made from poly urethane, which most golf balls are made from. A second material called Surlyn is also used by some manufacturers. The Square Golf Ball® has the same dimples as a traditional golf ball, although because there is physically more surface area, there are more dimples. The diameter of The Square Golf Ball® is the same as a traditional golf ball. The inner core of The Square Golf Ball® has no bearing on performance, so the core is substantially different, yet the perceived weight of The Square Golf Ball® is that of a traditional golf ball. Every aspect of a traditional golf ball was considered and factored in when designing The Square Golf Ball®. And it shows.
