The Perfect Gift

The Square Golf Ball® is truly the perfect gift, for almost anybody – golfer or not. Golfers are certainly more likely to appreciate the uniqueness and humor, but many people find unique and clever things like this to be of interest. The Square Golf Ball® requires no assembly. The Square Golf Ball® requires no power. The Square Golf Ball® requires no maintenance. The Square Golf Ball® requires no special skills or knowledge to “operate”. The Square Golf Ball® is universal, and age, gender, spoken language, etc has zero influence on who can purchase and enjoy this novelty item. The Square Golf Ball® is not a seasonal item either. Birthdays, celebrations, and special occasions occur all year long, making The Square Golf Ball® an ideal “go-to” gift idea, especially for men who seem more difficult to find unique gifts for. And unlike many items purchased that have a limited life span, The Square Golf Ball® will last a virtual lifetime when used as intended. Don’t hit The Square Golf Ball® with a club or bat. Don’t try to bounce The Square Golf Ball®. Using a little common sense will make The Square Golf Ball® last forever. And with multiple imprint colors to select from, you’re certain to get his or her favorite color to go along with the most unique gift they’ll ever receive. Wherever you place and display The Square Golf Ball®, this little item is certain to generate conversation and provoke head scratching thoughts. Enjoy.
