

THE

SQUARE

GOLF BALL®

May 1, 2015

A World Of Fun

The Square Golf Ball® just got a lot more fun. Our new World Of Fun Square Golf Ball Set® is the perfect addition to a foursome on the links. Use this special set before or after your game. The sets consists of 4 Square Golf Balls®, each branded/imprinted with a different nation's flag, or different state flag. The imprint is on 5 sides. The challenge involves placing The Square Golf Ball® 15' from the practice cup on the putting green. Each player tries to sink a putt using The Square Golf Ball®. Not nearly as easy as it sounds. The different state or country flags makes it easy to identify which belongs to a certain player. Guaranteed fun. The Square Golf Ball® cannot be struck with a golf driver, or any club that exerts force. The light tap of a putter is acceptable, and should not present any damage to The Square Golf Ball®. The Square Golf Ball® was initially conceived in 1995 while discussing golf. A poor day of putting spurred a comment by the now inventor about how a square golf ball wouldn't roll past the cup. After some laughs, the inventor sketched a rough design and even put the name "The Square Golf Ball®" on the sketch. The idea was filed away with no real pursuit. When the internet found its way into the scene, searching for all types of things became easier and easier. The inventor searched for this square golf ball item believing it must have been thought of before now. Searches went on, and finally in early 2012, after extensive and exhaustive searching, the original concept and name from 1995 came to life and the rest as they say, is history.
