Square Golf Ball Corkscrew

The Square Golf Ball® is available as a corkscrew – an extremely novel corkscrew. Get one for yourself, get one as a gift and imprint that special icon or message that reminds you of a special time, person or event each and every time your corkscrew is used. Each Square Golf Ball® corkscrew arrives in a clear plastic box suitable for gift giving. Each arrives with a cork in place as a safety measure. We strongly advise that when not in service, you use our safety cork to protect the sharp tip and protect someone from accidentally injuring themselves as they reach into a drawer. Make a splash at your next event, or make a true entrance and impression as you present this truly unique item to your host or hostess. While we suggest imprinting only 1 or 2 Square Golf Ball® faces, in theory you have up to 5 available faces or surfaces to put your message or graphic. The fact that The Square Golf Ball® is square, this makes for an easy pull to get the cork out. Go one step further and consider a matching Square Golf Ball® bottle stopper. Now that your wine or bottle is opened, why not keep the novelty factor going with a matching Square Golf Ball® bottle stopper. This also arrives in a clear plastic box, ideal for gift giving. The Square Golf Ball® is patented by Bright Valley Enterprises LLC. The words “The Square Golf Ball” are trademark protected. Any infringement or copy of design or wording will be prosecuted to the fullest extent of the law. With a novelty item as unique as The Square Golf Ball® the temptation to duplicate may be attractive. We hope everyone can enjoy The Square Golf Ball® produced in the USA. We also ask that any suspected non-authentic duplications be reported to us as soon as possible.
