Just For Fun

The Square Golf Ball® makes for a very interesting gift, for yourself! Have a sense of humor, create a special message that truly reflects who you are or what your thoughts are – and put it on a Square Golf Ball® for everyone to see and comment on. This is especially useful in an office situation – where your statement is presented loud and clear, in the most unusual way possible. Or how about using The Square Golf Ball® as a reminder? Imprint donuts on the cube, and give this to the person who is charged with bringing donuts for the office the next time around. The potential list is endless – just consider a situation, apply the proper message or graphic, and you’re on your way, at a very affordable price. For you, for a friend, for an office, for whatever - The Square Golf Ball® presents a wonderful “canvas” for your message. And being such a novel and unique item, this will gain the attention deserved and desired like nothing else would or could. The Square Golf Ball® is patented by Bright Valley Enterprises LLC. The words “The Square Golf Ball” are trademark protected. Any infringement or copy of design or wording will be prosecuted to the fullest extent of the law. With a novelty item as unique as The Square Golf Ball® the temptation to duplicate may be attractive. We hope everyone can enjoy The Square Golf Ball® produced in the USA. We also ask that any suspected non-authentic duplications be reported to us as soon as possible.
